CALL US TODAY! | 800-862-4001 |

Dear Residential Elevator Owner,

Congratulations on your recent home elevator purchase! As a property owner, it's important to meet elevator code requirements by providing a working elevator phone line to the installation company before inspection. MyLinkLine offers a cost-effective cellular phone line solution, which could reduce your monthly elevator phone line fees by 35% or more.

Exclusive promo code for customers of Southeast Elevator:

Feel free to get in touch with us and make sure to mention the promotional code (SOUTHEAST 75) to enjoy complimentary equipment, a lifetime warranty, and a 75% discount on activation fees. Require immediate assistance? Feel free to call us at (800) 862-4001.

Best regards,

We use only the best cellular service networks **AT&T verizon T-Mobile**

MyLinkLine Communications has successfully secured nationwide cellular agreements with all major network providers allowing us to offer comprehensive nationwide cellular solutions.

To ensure top-notch service quality and cost-effectiveness for our emergency phone lines, we have developed an exclusive network coverage scoring system. This enables us to evaluate the location of the phoneline and determine the ideal network for that specific area. By leveraging this technology, we can provide reliable cellular phone lines at the most competitive monthly rates. Request a quote now and get reliable cellular phone lines along with substantial cost savings.
